RE: Upper Storage Pad Modification
Bear Creek Canyon Mine
ACT/015/021
Folder Nos. 3, 5 and 7
Emery County, Utah

Dear Mr. Owen:

After reviewing the material submitted on the upper storage pad modification for the Bear Creek Canyon Mine plan, a few areas must still be addressed before final approval can be granted. The areas still needing information are as follows:

UMC 784.23 Maps and Plans

Applicant should submit at least two cross-sections for the upper pad storage site showing local topography, and drainage facilities (i.e., culverts, ditches, etc.).

UMC 784.13 Reclamation Plan: General Requirements

The applicant must submit a detailed cost estimate for final reclamation of the upper storage pad area.

UMC 817.22 Topsoil Removal

(e) The applicant must provide the source of topsoil that will be used for final reclamation of the upper storage pad.

If you have any questions, please feel free to call.

Sincerely,

EVERETT HOOPER
RECLAMATION SOILS SPECIALIST
